Directions to 3851 Burnite Mill Road, Harrington, DE

From the North (about 63 miles from Newark)

Travel down Rte. 1 to the Saulsbury exit, that will put you onto Rte 13. From there it is real easy, drive about 9 miles pass where the old drive in used to be in Felton, on the right you will pass a seafood place, just after that there is an auto auction which is where you make a right turn (Peachbasket Rd). Take that to the end and turn right onto Burnite Mill Rd. Drive 5 miles and we are the second house, on the right, after Spectrum Farms Rd. Big tree line in front.

From the South (about 44 miles from Rehoboth Beach)

Take Route 1 north to Rte. 12 (Burnite Mill Rd.) right from Frederica or travel up Rt. 13 and turn left at the Felton light which is Burnite Mill Rd. then travel 6 miles or so to our house
